

Summer PSSA 2017

Update for all Blacktown PSSA Schools

The Blacktown PSSA Executive committee wish to inform all schools within the Blacktown PSSA zone and their wider communities that the 2017 Summer PSSA semi finals and grand finals have been cancelled. This had been discussed on numerous occasions at monthly PSSA meetings, where it was outlined that at least half of a fixture/draw MUST be played in order to make our PSSA competitions valid and legitimate. With the entire Term 1 competitions being heavily affected by inclement weather, we were unable to play any matches. This meant that we needed to play all of Term 4's scheduled matches, in order to meet the mandatory 50% of each draw. Unfortunately, with two wash outs already affecting the Term 4 portion of the Summer competitions, we will not have enough weeks left to make up the necessary rounds needed to be play. Therefore we conclude that the 2017 Blacktown Summer PSSA competitions will be a no-result and schools will play out their final matches this Friday, 3rd November 2017.

Thank you to all conveners and schools for your support during the 2017 Summer PSSA competitions.

Regards,

Jason Duss and Matthew Van Trier
