### **Convenors Message**

What a great day we had! It was a bit of a worry with the rain falling right through the night before, but we were very fortunate that it cleared up and turned out to be a beautiful day. Thank you everyone who helped out on the day. All the officials provided and team managers were fantastic. A big thanks in particular to Dave, Stuart, Alison, Alex, Marc and Rob for coming early to set up and staying back to help with pack up! Another special thanks to Dave for organising all the extra equipment we required.

Sydney West Carnival is Wednesday Week 7 (13th June) at Sydney Motorsport Park, Ferrers Road, Eastern Creek. If any children from your school cannot make the event, please contact us to let us know. When you have all of the notes returned from your school please send me an email.

Thanks again everyone!

Katherine Nash
