Good luck to all teams. Please make sure that teams are ready to start at the allocated time otherwise the later games end up finishing quite late. Please make sure that all players/spectators remember that good sportsmanship is fully expected – it is always a fantastic night and a great thing for all teams to be a part of – and a great chance for the parents and teachers from the schools to come along to support their kids. Fingers crossed for good weather, and looking forward to a great night.
