Please note – there are only two games played at Harvey Park each week and 3 games at Morgan Power Reserve (with the exception of rounds 3 and 8 where there are 4 games at Morgan Power). This is to keep both schools that catch the bus together at the same ground and not dropping one off at each ground. In the 10 round competition you will play one team twice eg. 3a will play 3b twice in the 10 rounds – this was unavoidable unless bus trips were to be split with teams being dropped off at each ground.

HP = Harvey Park – Field 5,6

MPR = Morgan Power Reserve - Field 1,2,3 & 4* (when required)
